

MAG-MARK®

THE MAGNETIC BOOKMARK PATENT NO: 95/8805

2010 CATALOGUE

Regular Mag-Marks®

Our flagship product is a unique patented bookmark which has small magnets on the inside - it clips over a page without damaging it, and it cannot fall out. A Mag-Mark® is an ideal:

- small gift
- greeting card or gift tag
- memento or souvenir

A Mag-Mark® is a quality item which is:

- UV Varnished
- Designed and made in South Africa
- Presented in an attractive compact display
- An ideal point of sale product
- Appealing to foreign tourists and the local market
- Printed front and back with attractive designs
- Available customised for corporates, schools or campaigns

Our newly extended range includes:

- Foto Mag-Marks®
- Portrait Fridge Magnets
- Fridge Magnet Sets
- Button Badges
- Colour-your-own Mag-Marks®
- Beaded Mag-Marks®
- Beaded Fridge Magnets
- Beaded Key Rings
